Staff Spotlight

This weeks staff spotlight goes out to Dr. Kristine Lyon, choir director extraordinaire. If you missed the amazing concert she and her students put on this past week its your own fault. The passion, energy, and love she radiates for her students is truly amazing to watch. If you are ever having a difficult day and need something to reenergize you, head on down the Arts hallway and just listen. There is magic in the air. Please thank Dr. Lyon for everything she does for BSHS this week and stop on into room 314 for an amazing experience! Thank you for all you do!
