

BRYAN STATION
HIGH SCHOOL

Bryan Station Faculty and Staff
will be **RELENTLESS** in ensuring
all students graduate high
school career and college

Weekly State of the Station

VOLUME 2 ISSUE 4

AUGUST 28, 2016

*Do not blindly
follow others.
Find the path that
is right for you.*

*“Most students
(and sometimes
parents &
teachers) see
college as the
destination, when
in fact it MAY be
just one of many
stops on the path
to a career.”
-Ford NGL*

Staff Announcements:

- ◆ **Behavior focus: Hoodies.** Please be sure to check not only in 1st period, but all day long for any students with hoodies and send them down to see a principal if they refuse to remove it.
- ◆ **Dress code:** Please see attachment and notes concerning dress code in **red**. I am planning to work with our student council to make some changes once they are chosen and voted on by students. I have had several questions from staff, and I wanted to address them in this SOTS..
- ◆ **We are required to do a transportation verification each school year. This will be done in advisory this week.**
- ◆ **Walkthroughs continue this week with the focus on 2D and 3B of the PGES Framework. We will not change the components until EVERY teacher has had a walkthrough. 55 staff members received a walkthrough last week!**

*Mr. McMillin will be out Monday and Tuesday at required district CT4GC training. Text me if you need an immediate response to something.

Staff Spotlight

This week Staff's Spotlight is Amy Sommer, our school registrar. She's registered 154 students, along with the help of all the counseling office staff, since the doors opened on August 10th and 241 total since July 20th! Currently, we have 1831 students enrolled at BSHS and that number continues to grow! We have the highest mobility rate for students in all of Fayette County, which requires Amy, and Renee, to be on their toes daily helping students and parents. I want to thank Amy, Renee, and all of the counseling office for their hard work and dedication. Please take moment this week to do the same!

Which ones are you bringing each day this week?
